Land Use - Greg

Mackenzie Grp Project across from US Bank on 181st – There are going to be 2 phase's to this project. The first phase is a 7 -Eleven store and a gas station. The second phase will include a restaurant, retail and coffee shop.

It was brought up that a property next door to Walgreens on Glisan has a couple of trailers on the property that may not be up to code. Greg is going to check.

Speed Bumps on Wasco Street – The neighbors in that area need to prepare a petition to get a grant to install speed bumps. They have missed the deadline.

Website & Newsletter - Bob

Bob would like to get started on the Spring issue of the newsletter. Some of the things that we talked about adding to the newsletter is a crossword puzzle and a recipe.

By-Laws - Kris

Kris will acquire a copy of the City of Gresham's by-laws. We will compare these to the by-laws that we have. We have a couple of different by-laws so will compare and discuss by-laws at next meeting.

March Public Meeting – Kris

Kris would like to invite NET Team to come a talk and would like any other suggestions.

Demitrios gave us a brief description of his life and career.
