Greg Hartung, Land Use

After reviewing the City of Gresham website for land use there is not a lot going on. The Equipment Share-Portland on 173rd and Halsey had a large tree taken down. Greg is checking to see if they had a permit. He saw that they had a violation against them.

On April 8th a house on Glisan had a party that had music playing to loud and to long into the night. Greg called the police line and they said that they heard about it.

Motion to approve the minutes for the January and February Board meeting minutes. It was seconded and approved.

Kris got some good feedback regarding the WENA March Public meeting. Just a couple of comments about the back door to the Moose Lodge was dark. All of presenters did a great job. Thank you to Krista for keeping the speakers on their time limit. Kris will be ending out Thank you cards to the speakers and to the Moose Lodge for supplying coffee and treats.

Kris sent out Thank You cards to the speakers at the WENA March Public meeting.

The time is here to start finding speakers for the WENA August Public meeting. If you have any suggestions for speakers let Kris know. Some suggestions are for someone from the City of Gresham to talk about the traffic on 172nd.

City of Gresham Grant – The cost for new signs, Zoom, printing the newsletter three

times a year and costs associated with the website.

Motion to approve the bill for web hosting Plan to refund Bob. It was seconded and approved.
