Introduction of new candidates for Wilkes East Board

Claudette Naylor (replacing Billy Simmon's as Treasurer) Claudette has been in her home on NE Wasco for 49 years. Raised her children there sending them to Wilkes Elementary, HB Lee and Reynolds HS. She is an original Portlander, attended Franklin HS, Willamette University and had her career as a high school PE/Health Teacher then HS Councilor for Portland Public Schools, for 33 years. She served on the Reynold School board for 13 years and volunteered for many jobs as a parent in our district. "We really like our neighbors & neighborhood."

Janet Unruh (Member at Large) my husband is Francisco Arteaga, son is Daiton Arteaga Unruh. We moved to our triplex at 167<sup>th</sup> Place & NE Glisan July, 1997. I am retired. I was in instructional design, which is training development process that can be applied to any kind of training need and any subject. Most of my work involved training people how to use computer systems in Corporations. My position with Freieghtliner on Swan Island was one of the highlights in my career not only the people, but with the opportunity to travel on business to Canada, Mexico and the U.S. I have a couple of books, "Recycle Everything: Why we must. How WE Can." Because of my experience at Freightliner.

We are very happy to be in Gresham – I love the trees and open spaces, and access to parks and of our beautiful Gorge, just out our front door. I'm interested in preserving nature and reducing our impact on it. I can also see that I/we need to work to protect the things about Gresham that we love!

Thanks to Billie for his 17 yrs service on the Wilkes Board.
