WENA August Public Meeting

August Public Meeting will be held at Nadaka Park and start at 7:30.

Items to consider:

- Make sure meeting starts on time because we need it to end around 8:30.
- Have someone from the City of Gresham come to speak. They need to be able to discuss the failure of the safety measure.
- What will happen now.
- Lucy will discuss the little houses that are located on about 122nd and Halsey.
- Janet Unruh to discuss the Urban Forestry Committee.
- Garrett Hartung will be submitting an article regarding weather.

Janet Unruh, Urban Forestry Committee

The City of Gresham is considering shutting down all the committees in Gresham. They are part of the Council Citizen Advisory Committees.

Janet has been helping some neighbors with tree problems. One had heard from his insurance company that he had to get some branches cut off the tree in his yard. He found that it was going to cost about \$2,500 and he cannot afford this cost. Janet helped him set up a go fund me page to get the money to pay. The other neighbor had a tree fall on her house and cannot afford to get it fixed. She is worried that the city might take her house away.

Miscellaneous

Krista will be working on our neighborhood contact information sheet.

Kris has received some new materials for the Welcome Here folders.

Motion to adjourn. It was seconded and approved.
